

Galleyrand Place, near
Jacksonville, Fla.,

April 2, 1888.

My Dear Sir -

I have received your letter
of the 3^d inst. - and thank you for
your services in behalf of my
distribution - I intend to enclose
herein a postal order for the
\$2.90 expended by you -

I regret that I did not detect
the mistake about *Phoradendron's* *Myrtacinae*
Dr. Vasey says I transposed the
labels for *Panicum paspaloides*
& *Paspalum caespitosum* - presumes
he may be responsible for the error.
As soon as my four Orchids
are determined I will send them

the correct labels for all -
With many thanks, I remain

Yours very truly

A. S. Curtis
